TI WORKFLOW

Transport Incentive (TI)

Required information:
 • Next appointment date
 • Details of treating doctor

Required information:
 • Next appointment date
 • Department

Incentive banked into beneficiaries bank account within 3 working days of application

HA – Health aid
 CCTI – Complete Cancer Treatment Incentive

ROLE OF TI PIC & USERS

Benefit 3

5 ROLE OF TI PIC & USERS

- Three level of “Users” in the BMS (Same with Health Aid & CCTI)
 1. HOD/Specialist (PIC)
 - PIC will be registered and will serve as the ‘Primary Account Holders’ in the BMS for their respective department.
 - He/she will control who will have access to the system and register them as ‘Authorised Users’ for BMS
 - PIC also need to maintain and update the users as required. If there is a new user, the PIC needs to register the new user and must also delete users that are no longer active.
 2. “Team Leads”
 - Doctors - specialist
 - Able to update medical information
 - Cannot create other account user
 3. “Normal Users”
 - Admin/nurses
 - Only to update upcoming appointment date

CASE EXAMPLES

Benefit 3

6

CASE 1: Eligibility

- Encik Ali was diagnosed of lung cancer and scheduled for next follow up on 12 June 2019.
- Before his next follow up, Encik Ali was brought to emergency for shortness of breath and fever and subsequently admitted for pneumonia.
- Is he eligible for transport incentive?

Benefit 3

6 CASE 1: Eligibility

-Continued-

- Encik Ali was subsequently discharged from ward and Encik Ali was able to come for his subsequent follow up on 12 June 2019.
- Is Encik Ali eligible for Transport Incentive?

Benefit 3

7 CASE 2: Payment

- Puan Sariah's is a recipient of health aid. Currently her balance for her transport incentive is RM50 but the auto-populated calculation between her home and the hospital is RM70.
- Will she still able to get the RM50?

Benefit 3

8 CASE 3: Per Diagnosis

- Miss Letchumi is diagnosed of breast cancer in February 2019.
- Unfortunately in April 2019, she was involved in an accident requiring surgical implant.
- What is the eligibility for transport incentive?

“Lebih PeKa, Lebih Cakna”
