About BookDoc *Activ*

Sync your fitness tracker with BookDoc *Activ*, and begin your rewarding journey for being *Activ*! Your average daily number of steps at the end of every month will become your Reward level: Bronze, Silver, Gold & Platinum, where exciting deals await. The higher the Reward level, the better the deals and the greater the number of lifestyle verticals which you could take advantage of.

Check out the comprehensive list of Reward partners and the countries where you could enjoy the benefits. It includes participating outlets under food & beverages, grocery shopping, gym & fitness, clothing & apparel, health & wellness appliance, transport and many more.
